and PRICE LIST

Charles Klehm & Son

Nursery

Algonquin & Arlington Heights Roads Arlington Heights, Illinois HEmpstead 7-2880

COMPLETE LANDSCAPING SERVICE

Open Monday thru Friday 8 a.m. to 8 p.m.—Saturday 8 a.m. to 6 p.m.
Sunday, 9:30 a.m. to 5:00 p.m.

Charles Klehm & Son

Nursery

See Before You Buy

You are cordially invited to visit our friendly "headquarters" in the big pink barn at the corner of Algonquin and Arlington Heights Roads and to tour the various Klehm Nursery fields to see a wide selection of Evergreens, Trees, Shrubs, Peonies and other perennials in bloom. A particularly beautiful attraction every June is the 50 acres of Peonies, a specialty of the Klehm family since 1902 and one which has earned the nursery an international reputation.

Serving the northwest suburbs of Chicago for almost a century

GOOD LANDSCAPING IS A GOOD INVESTMENT

Every dollar invested in trees and shrubs will increase the value of your property at least six times the cost of the plants themselves. The years of pleasure and comfort which they bring to you and your family cannot be measured in dollars and cents.

CHARLES KLEHM AND SON NURSERY GUARANTEE ON PLANTS

We supply quality plants in a healthy growing condition. Then come the following risks, all beyond our control:

- (a) SOIL too compact, or too loose, or too sweet, or too sour, or too wet, or too dry, or too barren.
- (b) PLANTING too deeply, or too shallow.
- (c) Burning roots with FERTILIZER.
- (d) OVERFEEDING, especially with too much nitrogen.
- (e) SUMMERS too dry, too hot, not enough watering.
- (f) WINTERS too cold, too erratic. Beyond control. "Winter-killing."
- (g) DISEASES, and insect pests, not noticed, some uncontrollable.

Nevertheless, we share half of the risk for the first six months. We agree to replace at half of original purchase price, FOB nursery, whatever failures, if paid for within 90 days, and if reported within six months after planting or purchase.

We do not offer or wish to supply plants on any other basis. We could increase prices to permit a policy of free replacement, but that would merely penalize the fortunate and the attentive gardener.

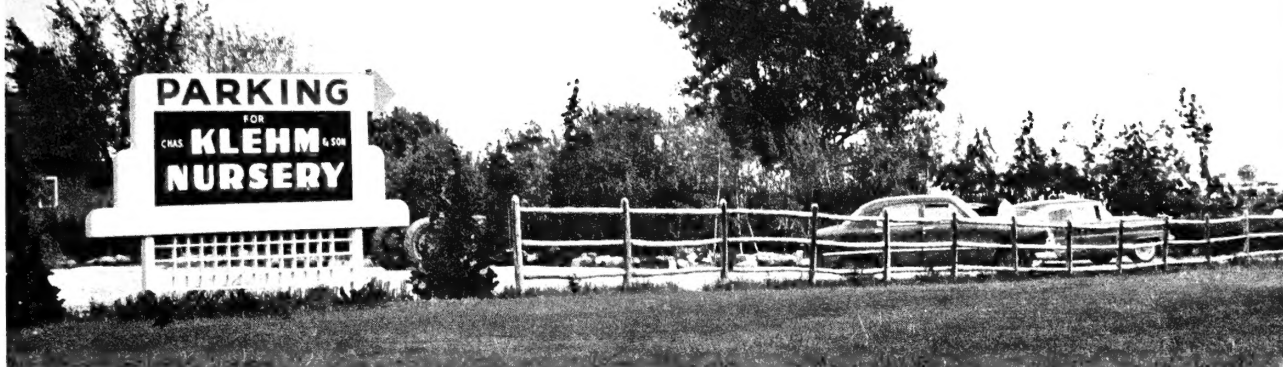

Members: American Association of Nurserymen; Illinois State Nurserymen's Association; National Landscape Nurserymen's Association; Illinois State Florists' Association; Allied Florists; Society of American Florists; American Peony Society (charter member).

Plant with a Plan

A good planting plan is the first step to good landscaping, regardless of whether your way of living calls for informal plantings of trees and shrubs or requires a more formal approach. Our experienced sales people (including graduate landscape experts) are always ready to advise you on a well-organized

planting program, help you get the most enjoyment out of your own lawn and garden. If you will bring a snapshot, blueprint or dimensions of your home, we can be of greater assistance in choosing the proper selection, spacing and the most interesting design of your plantings.

COME TO KLEHM'S
for all your landscaping
and garden needs

Complete "One-Stop" Convenience

Wide variety, highest quality, good service, plenty of parking space—these are some of the reasons why the friendly Charles Klehm & Son Nursery makes your garden and landscaping shopping so easy and rewarding.

Be Our Guest

Each nursery "department" is organized and displayed to make your browsing a pleasure. Our capable and experienced sales force is always ready to give you advice, guide your selections, answer your questions.

Two spacious parking lots are maintained for your further convenience and safety. Drive right in and step out into a new world of color, beauty, fragrance . . . and lasting satisfaction.

INSIDE THE BIG PINK KLEHM BARN

GARDEN SUPPLY SHOP

You'll find a complete range of grass seeds, fertilizers, weed killers, garden implements, bulbs in season and many other products in our bright, handy Garden Supply Shop.

Grass Seeds—Klehm's Excel Mixture Seed is a blend noted for its fine performance in this area, combining a maximum of beauty and economy with a minimum of care and attention. We carry a wide selection of Scott's and Vaughan's packaged seeds, plus the following in bulk: Merion and Kentucky Blue, Merion Blue Formula, Perennial Rye, Red Top, Creep-

ing and Chewing Fescues, Annual Rye, Bent Grass, Poa Trivialis and Alta Fescue.

Fertilizers and Weed Killers—Let us help you choose the right "diet" for your lawn and garden from our complete line of fertilizers and soil conditioners. We will be glad to help you choose the proper chemicals to eliminate your garden pests. Such famous names as Scott's, Vaughan, DuPont, Ortho and Armour are represented, as well as many specialized products of proven performance.

GIFTWARE SHOP

Awaiting your selection is a large collection of choice pottery, planters, and other giftwares from all over the world. You'll find all kinds of unusual ideas, flower arranging materials, wall accessories, "conversation pieces" and collector's items in our unique Giftware Shop. It's the place to browse any time you have the time!

Klehm Evergreens

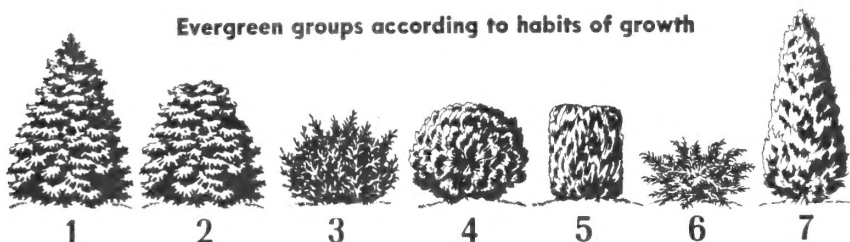

HARDY SPECIMENS — LOCALLY GROWN

Plant our specimen Evergreens for year-round landscaping effects and four-season color. They will soften building lines, give your home a striking appearance.

Evergreens are tolerant of a wide variety of conditions, being able to grow in almost every kind of soil and enduring both sun and shade. They are winter-hardy in almost every climate. The dense dark green foliage and the developing new shoots form an effective contrast in the spring.

Whatever you need in Evergreens, visit our yard and make your selection from freshly dug sturdy plants. The planting season extends from the latter part of March through April, May and June and again in September, October and November.

Evergreen groups according to habits of growth

FIR

Douglas (soft bluish green foliage, fast growing, large tree.) No. 1.
24"-30" .. 9.00 42" 15.00
36" 12.50 48" 18.00

HEMLOCK

Canadian (a very graceful evergreen, does well in partial shade, can be used as a trimmed hedge.) No. 2.
18"-24" .. 5.50 48" 15.00

JUNIPERS

Andorras (low, spreading, very hardy, rapid grower. Summer color bright green; winter, plum.) No. 6.

15"-18" 4.50
24" 6.50 36" 10.00
30" 8.00 42" 12.50

ArborVitae (rich green foliage, narrow pyramidal, makes splendid tall screen.) No. 7.

30" 4.50
42" 6.50 54" 10.00
48" 8.00 60" 12.00

ArborVitae Globe (retains its globe shape without trimming, foliage is rich green.) No. 4.

18" 4.50
24" 6.00 30" 8.00

Blue Haven (silver blue in color, brightest blue of all upright junipers.) No. 7.

60" 15.00 72" 18.00

Burk's (Globe) (bluish foliage in summer, purplish in winter—has to be sheared to keep globe effect.) No. 4 and No. 2.

24" 10.50
30" 12.50 36" 15.00

Cannaerti (gorgeous plant with rich green heavy foliage, bright blue berries in fall, maintains good winter color.) No. 7 and No. 2.

36" 10.00 54" 18.00
42" 12.50 60" 22.50
48" 15.00 72" 27.50

Chinese Seedling (gray-green foliage, fast grower, grows well in hot, dry locations, also immune to severe cold.) No. 7 and No. 2.

42" 7.50 60" 15.00
48" 10.00 72" 18.00

Chinese Grafted (same as Chinese Seedling only more compact.) No. 2.

42" 10.00 54" 15.00
48" 12.50 60" 18.00

Dundee (a compact symmetrical pyramid, rich green foliage, turns plum in winter.) No. 7.

36" 10.00 48" 15.00
42" 12.50 54" 18.00

Hetzi Spreading (blue foliage, resembles Pfitzer in habit, but denser, faster grower.) No. 3.

15"-18" .. 4.50 36" 10.00
24" 6.50 42" 12.50
30" 8.00 48" 15.00

Hetzi Upright (staked) (blue foliage, semi-upright in growth.) No. 2.

42"-48" 12.00
36" 10.00

Hillspire (light green foliage, good grower.) No. 7.

24" 10.50 30" 12.50

Pfitzer (very hardy, fast growing graceful evergreen—feathery gray

green foliage.) No. 3.

15-18" 4.50 36" 10.00
24" 6.50 42" 12.50
30" 8.00 48" 15.00

Red Cedar (dark green foliage, columnar form, purplish color in winter.) No. 7.

30" 5.00 42-48" 8.00
36" 6.50 48-54" 10.00

Silver Cedar (bluish foliage during summer, changes color slightly for winter, broad columnar grower.) No. 2.

36" 12.00
48" 15.00 54" 18.00

Spiny Greek (gray-green foliage, broad compact, well-formed pyramid, slow grower.) No. 2.

18" 4.50 24" 6.50

Von Ehron (rich green foliage, feathery in texture, rapid grower, vase shaped.) No. 3.

24" 4.50 36" 8.00
30" 6.00 42" 10.00

PINES

Mugho (unique low globular pine, can be pruned to remain dwarf for many years.) No. 4.

12"	4.50	18"	7.50
15"	6.50	24"	10.00

Scotch & Austrian (bluish green foliage, fast growing, good for windbreaks.) No. 1.

30"	7.50	42"	12.00
36"	9.00	48"	15.00

Swiss Stone (soft green foliage, slow grower, used as specimen or group planting.) No. 1.

72"	50.00	84"	65.00
-----------	-------	-----------	-------

SPRUCE

Colorado Blue (the favorite specimen evergreen, broad pyramidal tree in bluish casts.) No. 1.

24"	12.50	36"	18.00
30"	15.00	42"	22.50

(Extra select blues slightly higher.)

Colorado Green (green foliage, fast growing.) No. 1.

30"	9.00	42"	15.00
36"	12.00	48"	20.00

Koster or Moerheim Blue (bluest of all spruce, grafted tree, specimen plant.) No. 1.

48"	45.00	72"	75.00
60"	60.00	78"	90.00

(Larger sizes available.)

Norway (fast growing pyramidal.) No. 1.

36"	7.50	42"	10.00
42"	10.00	48"	13.50

YEWS (taxus)

Adams Columnaris (dense, broad conical tree, not as compact as the Capitata, cutting grown.) No. 2.

60"	50.00	66"	57.50
-----------	-------	-----------	-------

Browni Spreading (a more upright form than Cuspidata, used as a globe, very compact, darker green than Cuspidata.) No. 4.

15"	8.00	24"	15.00
18"	10.00	30"	18.00

Capitata (upright pyramidal) (a dense, broad conical tree—quite formal.) No. 2.

24"	10.00	30"	15.00
36"	21.00	48"	35.00

Capitata (older, heavily sheared specimen.) No. 2.

30"	22.50	36"	27.50
42"	32.50	54"	45.00

Cuspidata Spreading (soft graceful horizontal plant, does well in shaded areas, can be trimmed for nice hedge, box-shape, etc.) No. 3.

8"-10" potted	2.50	12"	6.50
15"	8.00	30"	15.00
18"	10.00	36"	18.00
24"	12.50	42"	22.50

Densiformis Compact (a dense, compact spreading type.) No. 3.

12"	8.00	15"	10.00
18"	12.00	30"	18.00

Globe (used to soften lines in landscape or front entrance material.) No. 4.

24"	15.00	30"	18.00
36"	22.50		

Hatfield (wide columnar, dense foliage, ideal for hedging.) No. 5.

15"	8.00	18"	10.00
24"	12.00	36"	18.00

Hicks (narrow columnar, dark green foliage, used for narrow areas.) No. 5.

15"	6.50	30"	13.50
18"	8.00	36"	15.00
24"	11.00	42"	18.00

Kelseyi (deep green foliage, bright red berries in fall, same uses as the Hatfield.) No. 4.

15"	8.00	18"	10.00
24"	12.50		

Wardi (semi-spreading, noted for its red berries.) No. 3.

24"	12.50

Klehm Roses

GROWN IN POTS FOR GUARANTEED SUCCESS AND EARLY BLOOM

The Rose is truly the Queen of Flowers. No other is so universally loved or will give greater enjoyment. We have Roses for every taste, including the latest All-American patented varieties.

Roses are usually grown as bedding or climbing plants but can be used as background or foundation plantings and as hedging.

POTTED ROSES—Our Potted Roses give you an outstanding summer-long flower display. By potting these plants in extra large containers early in February, we encourage root action before the top begins to grow, getting a head start on the growing season and thus insuring earlier and larger flowers. These roses are hardened off and ready to plant after April 20th or any time later in the spring or summer with no setback.

PATENTED HYBRID TEA ROSES

Aida—rich red	2.90

We have a nice selection of miniature roses in the best varieties, potted — each

NOTE: These prices include a 40c charge for potting and extra handling, which is less than cost.

Klehm Flowering Shrubs

Magnificent floral displays in early spring, cool green foliage in summer and brilliantly colored fruits or leaves in the fall are some of the endless pleasures in Flowering Shrubs. Full or partial privacy can be obtained with the proper shrub planting. They can be planted in March, April, May, October and November. Many of these shrubs are balled and burlapped to allow planting in the mid-summer months.

Permit us to help you select the proper shrubs to serve your purpose whether it be to create privacy, screening, hedging, division of areas, or create interest and color throughout the spring, summer, fall.

Suggested Use of Shrubs

Shady Location—Cotoneaster Divaricata, Viburnums, Alpine Currant, Snow-hill Hydrangea.

Dry Places—Barberry, Forsythia, Honeysuckle, Privet, Spirea Froebelli, Viburnums.

Winter Effect—Highbush Cranberry, Red and Yellow Twig Dogwoods, Red Barberry, Euonymus Compacta, Cotoneaster Divaricata, Pyracantha.

Autumn Color—Euonymus Compacta, Washington Hawthorne, White Dogwood, Viburnums, Red Barberry, Amur Maple.

To Attract Birds—Shadblow, Barberry, High Bush Cranberry, Honeysuckle, Viburnums, Nanking Cherry.

Fragrance—Star Magnolia, Lilacs, Mock Orange, Viburnum Carlesii and Carcephalum.

Tall Screening—Red and white Honeysuckle, Persian and French Hybrid Lilacs, Mock Oranges, Nanking Cherry, Rose Tree of China, Red Leaf Plum, Highbush Cranberry, Wayfaring Bush.

Outstanding Dwarf Shrubs—Flowering Almond, Azaleas, Pygmy Red Barberry, Potentilla, Hypericum, Spirea Froebelli, Cotoneaster Praecox, Deutzia Gracilis, Golden Mockorange, Frosty Morn Mockorange.

For outstanding flowering effect—Azalea Mollis Hybrids, Forsythia Beatrix Farrand, Rose Tree of China, Royal Purple Smokebush, Tamarix Pink Cascade, Viburnum Carcephalum, Weigelia Bristol Ruby, Hibiscus, new varieties of Japanese Quince, P.G. Hydrangea, Mock Orange in Minnesota Snowflake.

ALMOND

4-5' heavy	1.75

HYDRANGEA

A.G.—white flowers throughout the summer, thrives in deep shade. (30")

24"	1.50
-----	------

Domotoi—pink flowers in alkaline soil, blue flowers in acid soil. (24")

2 year No. 1 potted	2.00
---------------------	------

Hortensis—large double pink flowers. (24")

12-15"	1.75
--------	------

P.G.—huge pink cone shaped flowers that bloom most of the summer—outstanding shrub that needs sun. (5')

24-30"	1.50
30-36"	2.00

KERRIA JAPONICA

Low spreading shrub with yellow flowers during May. (3')	
2-3'	2.00

LILACS

Canadian Hybrid—delicate late spring flowering lilac in lavender hues.

3-4'	2.50
5' B&B	7.50

French Hybrid—large leaf type with huge clusters of fragrant flowers, suitable for cutting. (8')

Following are varieties available, bare root, at:	
3-4'	3.00
4-5'	3.75

For A Succession of Blooms From Spring Until

Charles X—reddish purple

Ellen Willmot—double white

Hugo Koster—bluish lavender

Jean Mace—double pink

Ludwig Spaeth—single deep red

Massena—deep purple

Montaigne—double mauve pink

Paul Thirion—rosy lavender

President Grevy—double blue

President Lincoln—true blue

Rhum Von Horstenstein—dark reddish purple

Following are varieties available, in B&B grades:

Charles X—reddish purple.

----------	------

4-5' B&B	7.50
----------	------

Florence Stepmann—single white.

3-4' B&B	5.00
----------	------

4-5' B&B	7.50
----------	------

Katherine Havemeyer—double pink.

3-4' B&B	5.00
----------	------

Ludwig Spaeth—single deep red.

3-4' B&B	5.00
----------	------

4-5' B&B	7.50
----------	------

Marshall Lannes—double violet.

3-4' B&B	5.00
----------	------

Thunberg—double light lilac.

3-4' B&B	5.00
----------	------

4-5' B&B	7.50
----------	------

Persian—outstanding full dense shrub for screening, flowers very fragrant but are not suitable for cutting. (8')

3-4'	1.50
------	------

3-4' heavy	1.75
------------	------

4-5'	2.50
------	------

4-5' heavy	3.50
------------	------

Villosa—summer blooming lilac, attractive heart-shaped leaves, pale pink flowers. (8')

2-3'	1.50
------	------

MOCK ORANGE

Popular shrub, wonderfully fragrant white flowers.

Aurea Nana—dwarf compact form with yellow foliage. (4')

18-24"	2.00
--------	------

30" B&B	5.50
---------	------

Frosty Morn (patented dwarf)—double white flowers. (4')

18-24"	1.75
--------	------

Minnesota Snowflake—large double white flowers, profuse bloomer. (7')

3-4'	1.75 4-5' 2.25
------	----------------

Single (Coronarius)—sweet scented, vigorous grower. (8')

3-4'	1.00 4-5' 1.50
------	----------------

Virginalis—bountiful double white fragrant flowers in June. (7')

2-3'	1.25
------	------

3-4'	1.50 4-5' 2.00
------	----------------

NANKING CHERRY

Very early blooming shrub with delicate pink flowers, edible cherries in July. (8')

3-4'	1.50 4-5' 2.00
------	----------------

5' heavy	2.50
----------	------

POTENTILLA

Dwarf shrub producing bright yellow buttercup flowers, through the summer. (2½')

15"	1.50
-----	------

PRIVET

Amur River North (see hedging)

Lodense—very compact dwarf form. (24")

12-15"	.60
--------	-----

Regale—low growing shrub with arching branches. (4')

24-30"	1.75
--------	------

42-48"	4.00
--------	------

Vicari Golden—golden yellow leaves used for color contrast. (5')

15-18"	1.25
--------	------

18-24"	1.75
--------	------

24-30" B&B	4.50
------------	------

PRUNUS TRILOBA (Rose Tree of China)

A double flowering plum that produces large rosy pink flowers

Fall, Enjoy Beautiful Klehm Flowering Shrubs

around Mother's Day—one of the most beautiful shrubs in existence. (5') (on own root, this will never revert to wild plum)

2-3' own root	2.50
3-4' own root	3.00
4-5' own root	4.00

PUSSY WILLOW

Attractive in the garden as well as in cut flower arrangements. (7')

3-4'	1.50
4-5'	1.75

PYRACANTHA—(see broad leaf)

QUINCE (Flowering)

Early spring flowering shrub.

Nivalis Alba—white flowering. (4')

24"	2.00
-----------	------

Rubra—red—bright red flowers with shiny dark green foliage. (6')

2-3'	1.75
3-4' B&B	5.50

RED LEAF PLUM (Shrub form)

Shrub with red foliage all summer, used to bring color in yard. (6')

Cistena—a dwarf variety with the brightest purple red foliage. (own root.)

2-3'	1.75
3-4'	2.50
4-5'	3.50
4-5' B&B	5.50
5-6' B&B	7.50

RIBES ALPINUM

Versatile dwarf shrub with lovely foliage that stands trimming and will grow under shady and poor conditions. (4')

12-15"75	18-24"	2.00
15-18"	1.50	24-30"	3.00

RUSSIAN OLIVE

Silver foliage plant used for color contrast. (7')

3-4'	1.75
4-5'	2.50

SHADBLOW (Amelanchier)

Naturalistic large shrub with early white flowers, edible small red fruit, attracts birds. (9')

3-4'	1.75
------------	------

SILVER BUFFALOBERRY

Pale yellow flowers, red/yellow fruit, silver leaves. (7')

18-24"	1.25
--------------	------

SMOKE BUSH (Rhus Cotinus)

A large shrub with loose blue-gray panicles of flowers.

Royal Purple—new patented variety with rich coppery purple foliage all summer and feathery red plumes in June & July. (9')

2-3'	4.50
4' B&B	20.00

SNOWBALL BUSH (see Viburnum)

SNOWBERRY

Spotted—medium sized shrub does well in shaded areas—has clusters of white berries in fall. (4')

4'	1.50
----------	------

SPIREA

A very popular versatile species of shrubs.

Anthony Waterer—low shrub with rounded flower clusters of rose-red in mid-summer. (30")

18"	1.25	24"	1.75
-----------	------	-----------	------

Froebelli (red dwarf)—similar to Anthony Waterer but slightly taller in growth and flowers a lighter red. (36")

24-30"	1.50
--------------	------

Prunifolia — upright medium sized shrub with fine double white flowers in May, leaves color nicely in the fall. (5')

2-3'	1.50	4-5'	2.50
------------	------	------------	------

Thunbergi—a graceful shrub with thin arching branches, single small white flowers covering plant. (4')

30-36"	1.50
--------------	------

Van Houttei (Bridal Wreath)—a large graceful shrub with spectacular white flowers in May. (5')

3-4'	1.25
4' heavy	1.50
4-5'	1.75
5' heavy B&B	4.50

SUMAC

Shrub used for naturalistic setting and brilliant red foliage in fall.

Aromatic (fragrant) — small yellow flowers in April followed by red berries. (7')

18-24"	1.50
6-7' clumps	7.50

TAMARIX

Soft graceful shrub with fern-like leaves. (7')

Pink Cascade—patented variety with feathery silver foliage, bright pink flowers in June and July.

2-3' potted	1.75
-------------------	------

TEUCRIUM (see hedging)

VIBURNUM

Versatile species of large shrubs that are easy to grow.

American or High Bush Cranberry—excellent large screening shrub with single lacy white flowers in May and scarlet red fruit that hangs on through the entire winter. (9')

2-3'	1.25	4-5'	2.50
3-4'	2.00	5-6'	3.50

Caricephalum—new patented variety with large pinkish white flower clusters that has outstanding Korean spice fragrance. (6')

15-18" potted	4.50
30-36" B&B	7.50

Carlesi—Korean spice bush — outstanding, fragrant white/pink flower clusters. (5')

15-18" potted	4.50
30-36" B&B	7.50

Dentatum (Arrowood) — shrub that grows under adverse conditions, attractive foliage in fall. (6')

3-4'	1.25	4-5'	1.50
------------	------	------------	------

Lantana (Wayfaring)—ideal shrub for shade and city conditions, leathery dark green leaves and single white flower. (7')

3-4'	1.75		
4-5'	2.50	5-6'	3.50

Opulus Sterile (Snowball) — blooms profusely with large double white flower in May. (8')

3-4'	2.00	4-5'	2.50
------------	------	------------	------

Tomentosum Mariesi — horizontally branched shrub with beautiful white flowers and heavy foliage. (7') (red fruit)

2-3'	1.50	3-4'	2.00
------------	------	------------	------

WEIGELIA (Cardinal Bush)

Medium sized shrub with heavy foliage that is beautiful in bloom. (6')

Bristol Ruby (patented red)—flowers sparkling ruby red, produced in immense quantities, blooms again in late summer and autumn.

3-4'	2.00	4-5'	2.50
------------	------	------------	------

Rosea—pink flowers in late May.

3-4'	1.50	4-5'	2.00
------------	------	------------	------

Vaniceki (red) — deep red flowers, vigorous grower with rich foliage, blooms in spring and fall.

3-4'	1.75	4-5'	2.25
------------	------	------------	------

WILLOW

Arctic Blue—small hedging plant that is used for its gray/green foliage. (3')

15-18"75
--------------	-----

WITCH HAZEL

Shrub that is used for naturalistic moist shady locations. (8')

Vernalis—early spring blooming yellow fragrant flowers.

3-4'	2.25
------------	------

Virginia—fall blooming, yellow flowers.

3-4'	2.00
------------	------

Klehm Trees

FOR FLOWERS, SHADE, and CHARACTER

Nothing in the plant world represents permanence and stability as does a fine tree—chosen for its color, form, character, flower or leafy shelter. Trees dignify and lend balance to a home. When properly planted, they make both the inside and outside of your house much cooler and more comfortable in hot weather.

The spectacular show of flowers in the spring from flowering crabs, dogwood, flowering plums and peaches is matched by the breathtaking color of maples and oaks in the fall. Others such as the linden, ash, honey locust and Norway maple provide welcome shade from the heat of the summer sun.

In selecting trees, consider what you want them to accomplish and where they must be planted. Bring your problem to Klehm's for a satisfactory and time-proved solution—then sit back and enjoy the lasting beauty of a tree. Planting season is March, April, May, October, November and December.

ASH (Fraxinus)

American—rapid, tall growing, pyramidal tree, easy to transplant, allows grass to grow underneath.

1¼"	10.00	2½"	22.50
1½"	12.00	3½"	35.00
2"	18.00	4"	50.00

Marshall—a new outstanding variety that is seedless.

1-1¼"	12.50
-------------	-------

BIRCH (Betula)

(Primarily planted in spring.)

Canoe or White—hardy naturalistic tree with white bark.

10-12' B&B	27.50
------------------	-------

Clump (white birch)—3 or more stems.

4-5' growing in basket	5.50
6-8' growing in basket	9.00
6-8' B&B	12.50
8-10' B&B	30.00
10-12' B&B	40.00

Clump (gray birch)—naturalistic and woody tree—3 or more stems.

10' B&B	18.00
14' B&B	40.00
18' B&B	60.00

Cut-leaf Weeping—lovely white bark tree with graceful, weeping moving branches and cut-leaf foliage.

8-9' growing in basket	7.50
10-12' B&B	20.00
2" B&B	30.00
2½" B&B	40.00

ELM (Ulmus)

American—a stately, graceful tree with Gothic-type structure.

6-7' branched	5.00
1¼-1½"	9.00
1½-2"	12.00
2-2½"	15.00
2½-3"	20.00
3½-4"	27.50

Chinese—hardy, rapid growing, slender branched tree, not readily susceptible to Dutch Elm disease.

8-10'	3.00	2¼"	15.00
1¼"	6.00	2½"	17.50
1½"	8.00	3"	25.00
2"	12.00	3½"	35.00

Chinese Hybrid—very fast growing tree with large leaves, combining the good qualities of the Chinese and American Elm.

1½"	12.00	2½"	27.50
2"	17.50	3"	35.00

Cork—an Elm with a central leader and corky branches.

4-5'	3.00
------------	------

Globe—Headed—formal tree for small area.

30" Head B&B	40.00
36" Head B&B	45.00

Moline—outstanding, vigorous columnar tree, fast growing, beautiful foliage from early spring to real late fall, allows grass to grow underneath.

1" -----	9.00
1¼" ----- 12.00	2½" ----- 25.00
1½" ----- 15.00	2¾" ----- 35.00
2" ----- 20.00	3" ----- 45.00

(larger sizes available)

Wheatley—narrow, pyramidal tree with ascending branches.

1½"	15.00	1¾"	18.00
-----------	-------	-----------	-------

FLOWERING ALTHEA (tree form of Rose of Sharon)

Single red, double white, double pink or double blue.

4-5'	4.50
------------	------

FLOWERING APRICOT

Very early blooming with lovely large pink flowers.

2" B&B	25.00
2½" B&B	32.50
2¾" B&B	37.50

FLOWERING CHERRY

Beautiful early spring flowering small tree.

Kwanzen—large double rose pink flowers.

4-5'	3.75
5-6' 6.00	6-8' 12.00

FLOWERING CRAB

One of the finest groups of ornamental trees in existence—the selection of color, flower, fruit, foliage and habit cannot be compared to any other class of trees. Delicate flowers in spring followed by attractive foliage, and in the fall the red, yellow or purple fruit is very showy and attractive to birds.

Almey—Glistening red flowers, red fruit is retained till spring, furnishing food for winter birds.

3-4'	4.00	6-7'	8.00
5-6'	6.00	7-8'	10.00

Bechtel's, Klehm's Improved—large double soft pink fragrant flowers, no fruit, reddish foliage in fall. Much more resistant to leaf blotch than regular Bechtel's.

5-6'	6.00	6-8'	8.00
------------	------	------------	------

Brilliant—bright red flowers with bright red fruit.

5-6'	7.50
------------	------

Centennial—small tree, horizontal branches with white flowers and fruit of excellent quality, bright red over yellow.

11/16"	3.50
--------------	------

Cowichan—blooms profusely, bears fruit of spectrum-red, foliage is brilliantly colored in autumn, light pink colored flowers.

1½" B&B	15.00
2" B&B	20.00

Crimson Brilliant—new patented variety with brilliant red flowers and purple-red fruit.

6-8'	7.50
1-1½"	10.00
1½-1¾" B&B	22.50

Echtemeyer (pink weeping)—unusual weeping tree with irregular branching habit—flowers are large purplish red, foliage is purplish bronze

and fruit is a deep purple.

5-6' B&B	15.00
1" B&B	18.00
1½" B&B	25.00

Eleyi—a large growing tree, good for combination shade and flowering tree—red flowers, purplish red foliage, red fruit in late summer.

6-8'	7.50	1½"	15.00
1¼"	12.50	2"	20.00

Espalier—a limited selection of varieties espalier trained to grow against the wall—individually priced. \$15 to \$45.00 B&B

Floribunda Purpurea — blooms early with large red flowers, purplish foliage; large red fruit.

5-6'	5.50
------------	------

Hopa—dark pink flowers, red fruit; good combination small shade tree and gorgeous flowering tree.

3-4'	3.50		
5-6'	6.00	1¼" B&B	12.50
6-7'	7.50	1½" B&B	15.00

Jay Darling—light red flowers, fruit red, large tree with rounded head.

3-4'	3.50	5-6'	6.00
------------	------	------------	------

Lemoine—darkest red flowers of all, large and non-fading fruit, purplish red in color with reddish foliage.

3-4'	3.50	6-8'	7.50
5-6'	6.00	1¼" B&B	12.50
		1½" B&B	15.00

Parkman—double rose pink flowers, large red fruit.

5-6'	5.00
------------	------

Radiant—compact, symmetrical growing tree, red flowers, fruit small and bright red hanging on very well.

5-6'	6.00
------------	------

Sargeant—a dwarf tree with twisted branching effect, white flowers and red fruit—artistic and interesting.

3-4'	4.50		
1½" B&B	18.00	2" B&B	22.50

Schedeckeri—semi-double pink flowers of great substance, blooms profusely and in fall has yellow fruit overlaid with orange; a semi-dwarf

tree outstanding for specimen use.

3-4'	3.50	1¼" B&B	12.50
5-6'	6.00	1½" B&B	15.00
6-7'	7.50	2" B&B	20.00

Strathmore—a narrow pyramidal flowering tree with dark pink flowers, leaves remain reddish all summer and turn strikingly red in fall—makes a wonderful narrow screen.

1"	7.50	1¼"	10.00
1½" B&B	15.00		

Van Eseltine—slender branched, vase shaped tree with deep pink flowers, blooms while very young.

6-7'	7.50
------------	------

FLOWERING PEACH
Outstanding fast growing flowering tree. Double red, red leaf, pink and candy striped.

5'	3.50	2" B&B	24.00
1½" B&B	18.00	2½" B&B	30.00

FLOWERING PLUM
Handsome small tree that is outstanding in bloom.

Bleriana—double pink flowers, coppery foliage.

5-6'	3.00
------------	------

Triloba—lovely double pink flowers similar to small roses.

5-6' B&B	12.50
----------------	-------

Veitchi—double pink flowers, bronze colored foliage, delicious small sweet plums, first tree to bloom along with forsythia.

5-6'	7.50	1¼" B&B	18.00
------------	------	---------------	-------

FLOWERING DOGWOOD
Horizontally branched tree with vivid red fall coloring effect.

Pink—pink flowers appear before the leaves.

2-3' B&B	9.00		
3-4' B&B	12.00	4-5' B&B	16.00

White—white flowers in spring.

3' B&B	12.00		
4' B&B	15.00	5' B&B	18.00

Pagoda—small tree with branches in tiers, forming a flat horizontal plant, yellow flowers in May.

4-5'	3.50	5-6' B&B	9.00
------------	------	----------------	------

GINKGO—Maiden Hair Tree
Stately tree with fan shaped leaf—immune from insects.

4-5'	7.50
1½-1¾"	20.00

HACKBERRY—Gothic type tree with corky bark.

1¼-1½"	10.00
1½-1¾"	15.00

HAWTHORNE
Small trees with glossy foliage and bright red fruit, disease resistant, stands city conditions, picturesque.

Autumn Glory — immense clusters of huge red berries in fall.

1½" B&B	25.00
---------------	-------

Crusgalli—horizontal branches, white flowers, bright red fruit, brilliant fall coloring.

3-4' B&B	10.00
----------------	-------

Paul's Scarlet—small tree, exciting double pink flowers.

1" B&B	9.00
1½" B&B	13.50

Toba—double light pink fragrant flowers, vivid red fruit.

4-5'	6.50
------------	------

Washington—outstanding vertical tree with white flowers in spring, glossy leathery foliage in summer, brilliant red hues in fall and bright orange red berries that hang on most of winter—ideal for narrow screens.

4' B&B	9.00	6' B&B	15.00
5' B&B	12.50	8' B&B	18.00

HONEY LOCUST
Fast growing tree with branches flaring upward and outward, lacy fine foliage that creates an interesting shadowy effect and allows grass to grow—resistant to insects and diseases—tolerant to storms, drought and drainage—all varieties except Thornless are patented.

Imperial—graceful spreading variety, foliage is dainty and refined.

1½-1¾"	22.50
--------------	-------

Majestic—graceful, sturdy tree of Gothic style and character.

1½-1¾"	22.50
--------------	-------

Morraine—wide spreading variety that is seedless and thornless.

1¼"	20.00	1½"	25.00
-----------	-------	-----------	-------

Shademaster—straight, strong trunk with ascending branches — heavy dark green foliage.

1¼-1½"	18.00
--------------	-------

Skyline—distinctive pyramidal form, branches are uniformly spaced — rather formal appearance.

8-10'	12.50	1¼-1½"	20.00
-------------	-------	--------------	-------

Sunburst—bright golden foliage on branch tips contrasting with rich green on balance of tree.

6-8'	12.00	8-10'	18.00
1¼-1½"	22.50		

Thornless—a fine fast growing tree.

1½"	18.00	2¼"	32.50
1¾"	22.50	2½"	37.50
2"	27.50	3"	45.00

HORSECHESTNUT
Lovely medium sized rounded tree that has dense shade and beautiful white cone-shaped flowers in spring.

1¾"	12.50	2¼"	18.00
2"	15.00	2½"	22.50

Red—a dwarf variety with red flowers.

6-8'	12.50	8-10'	17.50
------------	-------	-------------	-------

American Sweetchestnut

6-8'	4.00
------------	------

Chinese Chestnut

2"	15.00		
2¼"	20.00	2½"	25.00

HYDRANGEA—(P.G. Tree Form)
Pink cone shaped flowers in late summer and fall.

5-6'	5.50
------------	------

KATSURA
Fine pest free tree.

5-6'	10.00
------------	-------

KENTUCKY COFFEE
Slow growing tree with light blue green foliage.

4-5'	4.50
------------	------

KOELRETERIA—(Goldenrain Tree)

Spreading tree, picturesque, clusters of yellow flowers in summer.

1¼"	12.50
1½"	15.00
2"	20.00

LABURNUM—(Goldenchain tree)

Drooping clusters of bright yellow flowers in June.

8-10'	7.00
-------------	------

LINDEN

Rapid growing, spreading tree.

American—large tree with heart-shaped leaves.

2"	20.00
3"	35.00
4"	50.00

European—small leafed variety with fragrant flowers in June—outstanding street tree.

8-10'	8.50	2½"	30.00
1½"	15.00	3"	37.50
2"	22.50	3½"	45.00

Pyramidal—narrow form.

4-5'	3.50
------------	------

MAPLE

Most popular species of tree.

Amur—small multi-stemmed tree with upright rounded dense head—leaves turn brilliant scarlet in fall.

3-4'	10.00	7-8'	20.00
5-6'	15.00	9-10'	30.00

Japanese—dwarf tree with brilliant cut-leaf red foliage all summer.

18-24" B&B	15.00
30-36" B&B	25.00

Norway—dense round headed tree with rich dark green foliage, fastest growing of the hard maples, most outstanding street tree.

1¼-1½"	16.00
1½-1¾"	18.00
2"	22.50
2½"	25.00
3"	37.50
4"	45.00

(Larger sizes available B&B)

Crimson King—(patented) purple red foliage throughout the entire summer, slow growing.

7-8' whips	6.50
------------------	------

1¼" B&B	30.00
1½" B&B	35.00

The Peony is rated among the most beautiful of all plants. Its magnificent blooms and lush foliage may be produced with far less care than almost any other flower. Long regarded with deep affection by flower growers everywhere, Peonies have been handed down in families as garden heirlooms. Literally thousands of Peonies are growing today that were planted more than 50 years ago. The Klehm Peony fields in June are a breathtaking sight; that is the ideal time to make your selection. A labeled display is also assembled in our Garden Shop at that time. Peonies should be planted in September or October.

The following peony plants are grown in fields that are cultivated only for the sale of plants. Flowers are not cut from these fields.

Divisions are taken from 2 to 5 year old plants that are grown on "new" land. We rogue our fields while they are in bloom to be sure that varieties are true to name.

Other varieties not listed are available in small quantities. Write for prices on large quantities.

Please write us for quotations on 1000 lots.

Special Collection for Retail Sales: 100 strong 3-5 eye divisions, by color, for \$35.00 (40 red, 30 pink, 30 white). These are to be doubles, unless you request otherwise.

We begin filling orders early in September and continue until approximately the 1st of November. All stock is state inspected, strong 3 to 5 eye divisions, and guaranteed true to name; but we are responsible for no more than the purchase price. We ship only healthy roots dug from our plant fields, especially grown for the sale of plants only.
